

Sample social distancing tactics for airports

QUEUING

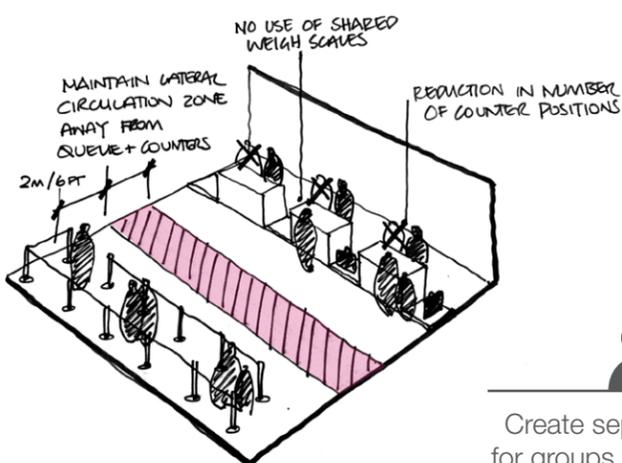

- Physical barriers and visual aids
- Actively manage reduced queue capacity

CIRCULATION

- Set up circulation in single direction flows

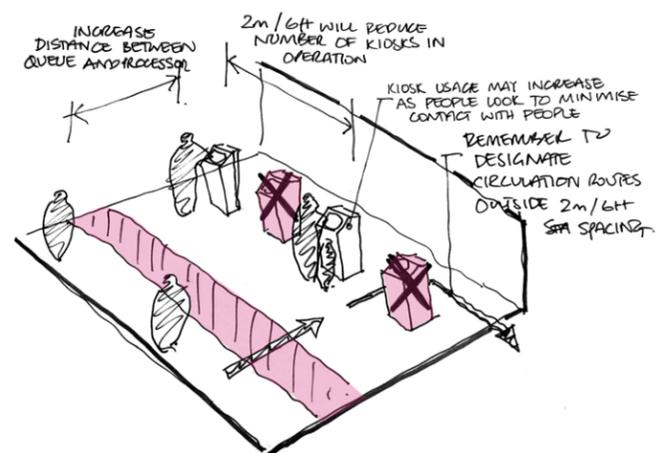

SERVICE COUNTERS

Create separate queues for groups >1 to maximize efficiency and keep families together

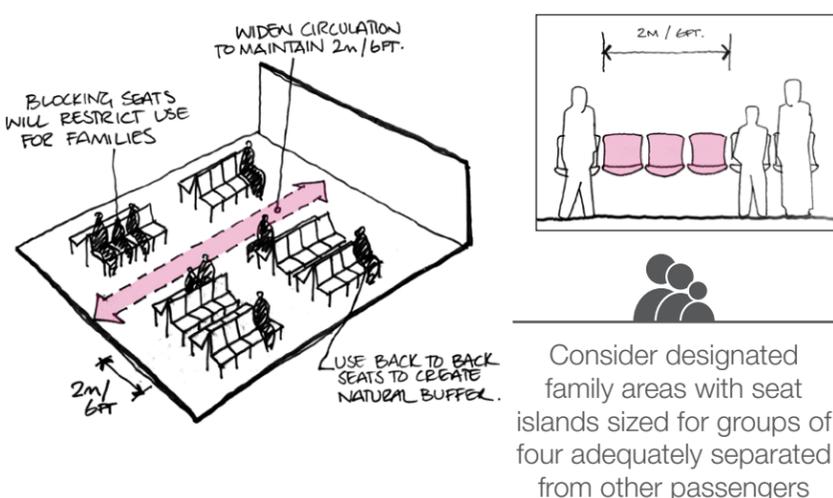

- Utilize every other ticket counter

KIOSKS

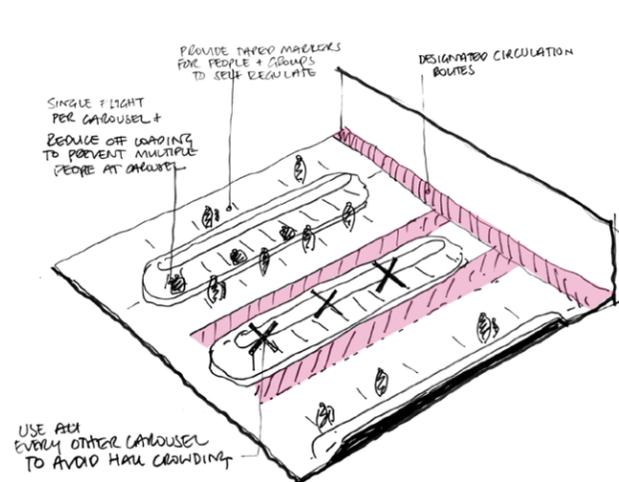

- Reconfigure or close kiosks

HOLDROOMS

- Rearrange seating
- Consider seating by boarding zone

BAGGAGE CLAIM

- Multiple carousels for larger flights
- Allocate to avoid adjacent carousel use
